HAMPER AND WE'LL BE IN TOUCH**

Times are tough just now for many of us. Here's a Christmas prayer to help you find strength from God:

**Father, we pray for peace in our community.
We ask everyone here would have enough to eat,
money to heat their homes, and friends or family
to keep them company.**

**Help us to notice people who need a smile, a
chat, a meal, a coat, or a home this Christmas.
We welcome Jesus into our hearts this Christmas.
Amen**
